# TEACHING PASTORS WHAT THEY DON'T LEARN IN SEMINARY.

## THE PLN VISION

In December 2019, pastor and leader Les Hughes launched Pastors' Leadership Network to help visionary, high capacity pastors and leaders evaluate best leadership practices so they can reach their personal and professional goals and lead their organization to accomplish their mission for maximum results.

Clearly meeting a need, PLN continued to grow throughout 2020 with hopeful plans for 2021.
